## COMMUNITY NOTICES

**Caring for Our Environment as Kaitiaki**  
 Te Tipu have been acting as scientists down at Nature School on Tuesday afternoons. There has been an array of learning opportunities, from observing the clouds and making kites using natural resources, to testing water quality and discovering what microorganisms live in the water samples. Our tamariki have been eager to explore the natural environment and understand why it is so important that we act as kaitiaki of this space.

### THE STUDENT LEADERS ARE OFF!

On the 22nd of May, the student leaders visited First Years Pre-School and made wonderful connections with the children. Some played ball games, some enjoyed the swings, and others spent time on the playground. A couple of us even visited the under-tuos room and had cuddles with the younger children.

We see leadership as an opportunity to help and connect with our community, and we would like to thank First Years Pre-School for giving us the opportunity to spend time with you all. We look forward to seeing everyone again in Week 11!  
 Written by Madison Hullah & Kaiarahi Waaka

### Building Skills Through Sport

This term for our PE sessions we are learning skills from different winter sports. Our first lesson focused on netball skills where we learned to run around and stop landing on two feet, pass and catch while moving around a space, and having a go at shooting the goals. Team sports are great fun, require cooperation, help build resilience, and we learn the importance of following the rules of a game. Next time we will focus on soccer skills.

## Donate Your Good Quality Used School Uniforms!

Help us support families in need by contributing your second-hand uniforms in good condition. Every donation makes a difference!

### Drop-off Location

Dannevirke South School Office –  
 Monday–Friday, 9am–3.15pm

### Please Follow Drop-Off & Pick-Up Parking Rules.

Keep our tamariki safe by parking only in designated areas and avoiding double parking during school times.
