

PRINCIPAL'S COMMENT

Dear Parents/Whanau,

Board of Trustees Elections;

With the upcoming Board election, it means that it will be the final meeting on Monday 17th June for two long standing members.

Chris Bone has been on the Board for 9 years and during that time had oversight of the school finances. Chris's wonderful contribution to the Board and school is seen in our current healthy position. During Chris's time large scale projects completed included:- the earthquake strengthening and refurbishing of classrooms, investment in technology, regular maintenance contracts and the Junior Playground. This project involved substantial public funds managed by Chris.

Pam Beamsley has completed six years on the Board. Pam has undertaken the administrative tasks for the Board meetings including all correspondence, meeting minutes and keeping everyone up to date with important education matters.

Both Pam and Chris were focused on achieving for all students and always contributed to the analysis of assessment data ready for effective goal setting and monitoring. Decisions were always made based on the needs of students. Pam and Chris attended the Trustee Professional Development workshops over the years and during that time accumulated a wealth of knowledge about schools.

Thank you for your years of contribution and support for our school.

Other current Board members have been nominated for a further term.

Respecting Everyone:

At Dannevirke South School we respect everyone. We show this by listening to each others ideas and opinions, laughing with our friends, keeping our hands to ourselves, being honest and letting others have space if they need it. We respect that we are all different in many ways but coming together we are a strong team and better than working as individuals.

The KiVa programme strongly supports this concept

School Cross Country:

The South School Cross Country event is to be held on **Tuesday 11th June starting at 1.00 pm.**

This is the day when many of our students stay at home to avoid the event. We don't see that as acceptable and it would be great if everyone had the "Have a Go" attitude.

To improve attendance we are making changes to the event and these include:-

- ⇒ Senior events will be held first
- ⇒ Students will run in houses to promote team work
- ⇒ House colours can be worn—coloured tee-shirts with black shorts
 - ⇒ Red for Arawa
 - ⇒ Blue for Ngapuhi
 - ⇒ Yellow for Rangitane
 - ⇒ Green for Tuhoe
- ⇒ House points will be awarded for participating Team atmosphere

All students should attend to be part of their house participation in the events.

REMINDERS

Pink Shirt Day

On the 17th of May we had a Pink Shirt Day to commemorate anti bullying. Pink Shirt Day is about trying to prevent bullying and helping people who are bullied. For me the thing that stands out is getting people to put themselves out there and letting their true self show.

Pink Shirt Day let's people who are bullied know that we are there to help them and they might start to report the bullying rather than just letting it slide, for me that's what Pink Shirt Day is all about. *Grace Russell*

Pyjama Day

This special day was well supported at school last Friday and \$310 was raised for Ronald MacDonald House. RMHC supports families when their child is in a hospital away from home. In 2018 over 4,300 families were given free accommodation and support to help relieve some of the everyday stresses they face.

Many thanks to Greer Feck, Dani Simmons and Grace Russell for helping to organise this.

OPEN EVENING—DHS

The Dannevirke High School are hosting an open evening today at 6.00 pm in their school hall. This is for Year 7 & 8 students and their whanau.
