

## PRINCIPAL'S COMMENT

Dear Parents/Whanau,

### Attendance and Cross Country

We had a great turn out for cross country last week. The changed format to encourage student participation worked as our attendance figures improved. Phillipa continues to do a great job at the front gate every morning encouraging late comers to be at school on time. Sharalee in the office will continue to follow up on all absentee not notified. Thank you for the fantastic support that all of you gave at our cross country event.

### Support Our Students (S.O.S.)

This year long serving parents on our SOS are standing down. **Suzie Brown** and **Hillary Hetariki** have given many years of service. Suzie has always supported SOS events including the gala, sausage sizzle, disco and student pool party's. Suzie always makes us laugh a lot and Hillary was an expert secretary and gala garage sale boss. We thank you for your significant contribution over many years.

**Michelle Walker** is doing a double step down. Not only has Michelle been treasurer and chairperson for the SOS and supported all events, she has served on the Board of Trustees for 3 years. This is a massive effort for our students and school community. Well done and thank you for such a wonderful effort.

### Hastings Hearing

We had a visit recently from a lady from the Hastings Hearing who went into every class talking to students about the importance of protecting their ears and hearing. A pamphlet is included with this newsletter on some of what was discussed.

### Celebrating differences

At Dannevirke South School, we are lucky to have a diverse variety of cultures. Part of the KiVa programme is celebrating these differences and taking other people into consideration. We focus on identifying the positive characteristics of each other and sharing these as a group.
