S.O.S: Supporting Our Students

At the SOS meeting this week the committee agreed to a **donation of \$27,685.00** to the school.

This is a wonderful effort by the current and former committee to raise this money to support our students.

This funding will support the following projects for 2019: -

- Teacher classroom consumable budgets
- All swimming buses throughout the year
- Contribution to all students trips/camps.
- Senior playground
- Replacement sand & equipment for the sandpit
- Funding for Special Needs
- Stop watches for sports events
- Funding for Technology

Thank you from all of us. To continue this support we need only a little of your time at the gala. Please contact the office if you can help.

B.Y.O. Bags for garage sale

TE KAKANO FUN RUN

Yesterday was the Fun Run. We had obstacles set up down in middle field and lots of fun things to do. You had to wait for Mrs Heald to blow the whistle

and say 3,2,1 go. The first obstacle was the sacks and you had to jump to the next obstacle where you had to weave through the cones. We crawled under the camo net, jumped in hoops, swung on a rope over a tarpaulin, balanced along a bench, crawled through a laser beam maze, jumped over hurdles, stepped over stumps, climbed over a wall, dragged a tyre, crawled through a tunnel and across the finish line. Ka Pai and that's why it's called a fun run. **By Kahli-Rae**
