

Day 1

I hope this finds you are all safe and well. We have put together some ideas to help whanau to enjoy the holidays together

- Make a bird feeder from an old plate/recycled container - hang it in a tree
- Make an obstacle course and see if your other whanau members can complete it. Maybe time them to see who is the fastest
- Send an email, text or other communication to a family member to check in with them during this time
- Online jigsaw -
