

Junior Rugby

Junior Rugby Registrations are now officially open for the 2021 Season. Those that played last year will have received an automated email that is linked to their NZRFU Player Number. However, if you have changed your email address you may not have received one.

Follow the link on the Registration Tab or the one below. At the bottom of this notice is a link between the Grade, School Year and the JAB Grade to help with putting your child in the right grade. All player registrations need to be completed online and **paid by 16th April 2021**. Registrations become valid once payment has been received.

Registrations officially close on Friday 16th April 2021.

If you have any problems registering or paying online please see Mrs Buchanan in the school library and she will assist.
