

PRINCIPAL'S COMMENT

Kia Ora Koutou

If you have not heard the news, the Board of Trustees have appointed a new principal who will start with us next term.

Her name is Caroline Transom and she is presently the principal of Kumeroa-Hopelands.

We will ensure the children and whanau have an opportunity to meet Caroline before the end of this term.

Caroline will be a great addition to our school.

Last night REAP ran their Online Safety Information Evening run by Rob and Zareen Cope. Many of the staff went along to the first meeting. It was very informative. They shared with us the issues our tamariki are facing in an online world and gave some suggestions of how we can all keep them safe.

I hope some of you managed to go along last night and listen to them.

Each newsletter we will add a link or some information that we were given that may help you at home.

The three golden rules they gave for families were:

1. No devices, including phones and smart TV's, X-boxes in bedrooms (anything that links to the internet)
2. Ensure you have filters on every device your tamariki have access to. They recommended two - *Safe Server* and as they get older *Family Zone* (they do not replace supervision but will help to keep kids safe)
3. When you go to bed turn off the WiFi

We would like to thank REAP for organising and funding this evening.

At present our years 4-8 are training hard for cross country which will be held at school next Thursday at 1.15pm. Please come along and support your tamariki.

 A big **THANK YOU** to
"All About Developments"

for donating \$500 to the school to put towards Netball. Your generosity is very much appreciated. Many children will benefit from the upgrade of our netball goals.

PINK SHIRT DAY

Room 11 have created a compliment tree for our classroom. We wrote on the leaves something nice that someone had said to us. Our "Kiva Kids" have also created a play about bullying.

Te Tipu have also been doing lots of awesome activities to promote Bully-free week. Room 7 have been talking about kindness and have created compliment posters and shared deeper compliments with each other. They have also made posters, slideshows, and scratch animations about kindness.

School Uniforms—with winter in full swing please ensure your children are coming to school in the correct school uniform. Polar fleeces can be purchased from StitchMe or the Warehouse.

TEACHER ONLY DAY FRIDAY 4 JUNE

Teachers have been doing a lot of Professional Development around writing progression and engagement for students with Margaret Hesketh from Evaluation Associates. On Friday 4 June, at the Teachers Only Day, they will be exploring more opportunities around writing. Already there has been an over all improvement in writing and student engagement.

COMMUNITY NOTICES

 Connecting Communities for Wellbeing

 MIDCENTRAL COMMUNITY PHARMACY GROUP

Has your tamariki got a sticky, puffy eye?

Bacterial Conjunctivitis is very common and easily spread, particularly among younger children. It can be easily treated with eyedrops.

You don't need to go to your GP.

You can get **free treatment** for tamariki aged 2-13 from your local pharmacy.

It's important to get treatment quickly - you don't need an appointment to see the pharmacist, just pop in at a time that suits you
