

Dannevirke South School

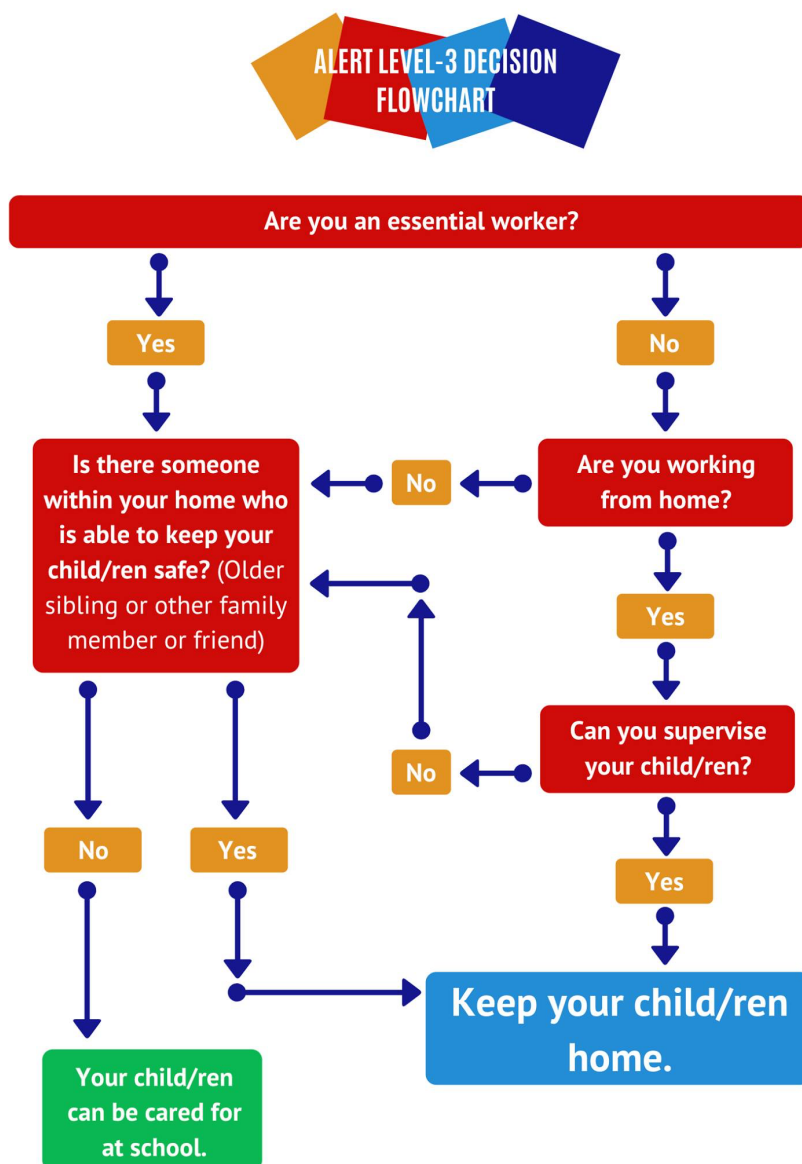

Limited Opening of School

Wednesday 1 September

As you will be aware we move to Covid-19 Level 3 from the 1st of September and, as Prime Minister Arden clearly stated, at Alert Level 3 schools **will effectively continue to be closed for face-to-face learning, other than for the children of parents who must go to work outside of the home and who have no alternative care options available.**

The finalised guidelines for this level are not yet available and may not be so until Monday **BUT** we urgently need to know if students will return to school so we can organise staffing.

What does this mean for your family?

What will school be like?

- Only those students who have been booked in can attend
- There will be staggered start and finish times (and delegated toilets) to ensure bubbles do not cross
- Learning will be the current At Home Learning
- Social distancing of 1 or 2m between students inside and outside of the classroom
- Students will be given a desk and chair and must remain in this spot (apart from toilet breaks)
- Families will be in the same bubble class
- Teacher must maintain social distancing from students
- Students over 12 and teachers are likely to need to wear masks.
- Sanitizing hands on entry to and from classes

For parents/whanau who need students to be at school, you must by 12pm Sunday 29 August:

- Email Caroline Transom on principal@dannevirkesouth.school.nz and include the names of students needing to attend school
- Alternatively you can call 027 255 8527 to talk to the principal Caroline Transom
- It is essential that we know who attends as we need to plan how we staff these bubbles
