

## PRINCIPAL'S COMMENT

Tēnā Kotou Dannevirke South whānau,

It was an absolute pleasure to join the amazing team at Dannevirke South last week and the students and staff have been so friendly and welcoming. I feel very lucky to join a school where the students always want to chat, connect and to share their learning. They are a real credit to their families and the team at Dannevirke South School.

As always the term has already started with lots of events and activities with the big event this week being the Sevens Tournament at Pahiatua on Wednesday. I look forward to seeing our students represent us by playing hard and fair in their games. It was great to meet more of our families and whānau on the sidelines. Please come and say hello if you see me around school as I am trying to learn all the names of students and love to meet families when I can.

Over the next 2 weeks many classes are off to the town library (or the librarians are visiting us) to support the Chill Out and Read programme. This programme is designed to help encourage our tamariki to read and to celebrate their progress. It would be wonderful if you could also share with them what you love to read and maybe even read a book together.

Just a reminder that school will be closed for a Staff Only Day next Friday (13 August). This does mean that students can not come to school as no one will be able to supervise them. We thank you for your support of this day as it enables us to continue to learn and grow as professionals so we can be our very best for your tamariki.

Have a great week,  
Nga Mihi

Caroline Transom, Principal

On Monday the 26th of July we had a special assembly to welcome our new principal, Caroline Transom. Some teachers and students from her old school, Kumeroa Hopelands, came to gift her to Dannevirke South School. When the time came for Kumeroa to wish Mrs Transom well on her journey at South they gave her a korowai made with beautifully coloured feathers - created and designed by her past students at Kumeroa. She wore this while she said her speech. Throughout the assembly lots of aroha was shared and smiles filled the hall. At the end of this special assembly both schools sang a waiata. We are looking forward to having our new principal here at South School.

Before the end of last term Locky Teller made a war memorial. He decided to create this for ANZAC day. His memorial shows the names of soliders which he got from the memorial plaque at school and the statue at the top represents soldiers who fought in the war. At the front of his memorial is a water feature.

Congratulations and well done to the successful South School students who received awards at the end of season prize giving for hockey.
