

PRINCIPAL'S COMMENT

Tēnā koutou katoa Dannevirke South whānau,

Isn't it lovely having the sun shining? We are taking full advantage of this great weather by having our Fun Run this week. There have been lots of happy, wet and paint coloured children running through our fields (and staff chasing them with paint and hoses). Thank you so much for supporting us to run this event by staying away at Level 2. As soon as parents are on site we need to keep our total numbers under 100 stopping us having any activities. By staying away you are enabling us to run the events our students love whilst keeping everyone safe. Thank you!

Sadly, Jamie Geurtjens is leaving us on Friday. She has been a valued member of our South staff and school family, and we wish her well. I know Miss Hutchings has really appreciated Jamie releasing her and enabling her to fulfil her Across School Teacher role for the Kahui Ako.

Just a reminder that in our summer terms our students need to wear their school hats and be sun safe. This means, when they have mufti for sports or a mufti day, they cannot wear any shirts that expose their shoulders. We also encourage you to put sunscreen on them before they come to school. We have sunscreen at school for them to reapply during the day. Have a great weekend everyone.

Yesterday we had the fun run. The teacher's squirted paint on us and sprayed cold water. I liked it when the teachers and the principal sprayed paint at us— Arya

The Fun Run is a good exercise. You have to ask people in your family to donate money for the Fun Run. If you get enough money for the Fun Run you get cool stuff. When you do the Fun Run you get splashed with cold water and with different coloured paint. The Fun Run was amazing. All the colours blended in with my real dark t-shirt. Manaia

Ex pupils Nate Mallard and Bayly Castles came in today to talk to the students of Te Puawai about life at Dannevirke High School. They answered questions about the timetable, classes, whanau groups, inter house competitions, sporting opportunities, camps, core subjects and elective subjects, lunches, and who helps you. It was great to get their perspective on life at D.H.S.

It is really important that if bullying happens from others in the way of a text, email or post on social media, that children feel they can tell any adult. This type of bullying can be known as "hidden bullying" as it is hard for adults to detect. We need to talk to our children about sharing this information with us so we can help them solve the problem.

I liked getting wet from the hose and then looking cool from being squirted with the paint. My Tshirt was all red at the end – Reid It was cool because the teachers squirted us and we got a colourful shirt from it – Ayla I liked being all colourful - Tahan I loved getting wet and colourful and I was all rainbow. I was wet too - Richie We were going to get money to get more toys and the colour fun run was really fun because it was in my hat and then I put it on my head and I had red hair - Layla We were getting squirted with colours. It was fun – Lincoln I got a colourful arm. I was happy – Ava It was fun – Teariki I got painted. I had the best feeling in the world- Kate My stomach is still red from all the paint – Tessa

Well done to Ali Edwards for winning the tablet through the Chill out and read programme through the Tararua Library.
