

## PRINCIPAL'S COMMENT

Kia ora South School whānau,

We love seeing our families and community at school supporting our students and I just wanted to remind everyone that parents and whānau are now welcome to come back onto school grounds and into classes. We ask that you please wear a mask when you are indoors at school but there is no need when you are outside.

### KiVa and Meet the Teacher BBQ

Once the junior block build is finished, we would love to invite everyone to a community meeting towards the end of this term. This will be a chance to connect with teachers, to see the new build and to visit classes. We will also hold a KiVa meeting on the same night to share how this anti bullying programme runs and the many different strategies and programmes we have running to help our tamariki to be their very best.

We would love to have as many of our families and whānau there as possible. We will send out more information about this once we have a set date for the junior block to be completed (so that we will have space in the hall for this meeting).

### Staff Only Day

Our last staff only day was very successful as we worked with an outside facilitator on further building our assessment strategies and how we can use this information to empower our learners. On the last day of this term (Friday 30 September) we will be holding a Kahui Ako staff only day. On this day (and a call back day in the holidays) staff will be touring our local area to learn the traditional stories and history from each Iwi- a very exciting learning opportunity for us all.

Have a great week everyone,

Nga Mihi

Caroline Transom (Principal)

### New Board of Trustees 2022

**Congratulations to our new Board of Trustee members who will be representing our parent community and supporting the running of our school for the next three years. It is a challenging and rewarding role.**

- Lee Lee Teller
- Cole Simmons
- Mick Wheeler
- Trina Paewai
- Jaclyn Hartridge

### DANNEVIRKE SOUTH SCHOOL TARARUA 7'S 2022 RESULTS

Senior Rugby	1st
Senior Netball	1st
Junior Hockey	2nd
Senior Hockey	2nd
Junior Netball	3rd

### Tararua 7 a-side Competition

Last fortnight it was the Tararua 7 aside tournament. Lots of kids from South went to represent our school. There were four sports categories in total: rugby, netball, hockey and soccer. Our netball team was quite worried when facing Te Kura Kaupapa. We tried very hard and finally pulled through winning 9-6. It was a very hard and close game. We were very happy that we won. After congratulating TKK we went outside as a team and supported other DSS teams. Our rugby team won their finals and came first. Hockey came second and our soccer team did well too. Yr 8 Girls (Netball)

At the Tararua 7's we played rugby. We played St Jo's, Pahiatua, Ruahine, TKK and Huia Range. We won all our games and made it to the semis. We faced Pahiatua and won 9-0. Then we were in the finals against Huia Range. It was a tough match and we won 4-2. We won the trophy. It was a long day and we were happy to bring back the win for our school. Yr 8 Boys (Rugby)

### CONGRATULATIONS TO JODIE FORSYTH

Jodie is representing Manawatu in the Under 14's Girls Football as their Goal Keeper. Tournaments will be held in the Manawatu area with the final being held in Gisborne in October.

## REMINDERS

- DSS Dental Clinic ph 0800825583
- Install the Kiwischool App on your phone
- Follow us on Facebook
- 2022 Technology fees due Te Puawai \$45.00
- Te Puawai Chocolate Money to be returned

Remember!!!

### Assertiveness

We have been practising how to stand up for ourselves and be assertive. This involves body language and knowing what to say. We are teaching children to stand tall and say "No!" in a strong voice. Ask your child to practise this with you at home.

### House Points Winners 2022

Term	Week	Winner
T3	02	Tuhoe/Ngāpuhi
T3	03	Rangitane

### PLEASE HELP US WITH STUDENT DROP OFF AND PICK UP

We know that parking can be limited at South and everyone wants to get their children as close to their class as possible, especially in the rain. Our biggest focus after school is keeping our students as safe as possible.

You may not realise but when you park in front of the cones and yellow lines you actually block our view of the road making it really challenging to cross our tamariki safely. Please keep this area clear so we can get our students home safely to you. We really appreciate your support with this.

### LEGO ROBOTICS CLUB

### DANNEVIRKE ROSS SHEILD 2022

We are hosting the rugby tournament this year, which is a big thing for our community. Because of our lack of accommodation in the township we are requiring billets for two of the teams that are travelling from out of town. Thank you to those of you who have already offered to take billets, but we are still requiring quite a few families to help out with this. If you were thinking about helping, you would need to take a minimum of two children and be able to drop them off to the grounds each day and pick them up after the last game of the day. They also have other activities that they would be required to go to e.g movie night and the big breakfast.

The tournament runs from the 3<sup>rd</sup> to the 7<sup>th</sup> October 2022.

We would be very grateful if you were able to help us out with this. We would like to get some indication of numbers in the next few weeks so we can let the teams know that we are able to do this. Please contact Bevan Ellison or myself if you can.

Thanks again.
