Kia ora South School whānau,

COVID update

As you will have seen, the COVID framework has now been dropped. That means that life returns totally to normal at school - visitors are welcome and there are no masks in classes or on buses. You do still need to isolate if you test positive for COVID but household contacts no longer need to isolate (they just need to test for 5 days).

Wheels Day next week

As we are nearing the end of the term we have some exciting plans. Next Friday we will have a school Wheels Day- a opportunity for our tamariki to bring bikes, scooters, skateboard, hoover boards (anything with wheels) to school to enjoy at break time. A note will be coming home soon with more information, guidelines and rules around this.

New building blessing and whānau evening

Please keep TUESDAY 27th SEPTEMBER free as we will be blessing our new block at 2pm and running a whānau evening until 6pm where we will share learning in classrooms, enjoy some kai together and talk about KiVA – the anti-bullying programme. More information will be coming out soon.

One-Off Public Holiday - Queen Elizabeth II Memorial Day

The ICAS Assessment results are available for those children who sat these tests. A note will come home with these students today which gives the website, TAP-ID and PIN which will enable you to view these results online.

Recycling - On Thursday, the 8th of September, we had Mel from Tararua REAP come to our team assembly and she taught us things about recycling. We learnt that only the numbers 1, 2 and 5 are recyclable and soft plastics are only recyclable in some areas of NZ. We also got prizes for answering questions correctly; Kahli-Rae got a bamboo toothbrush and I got a recyclable / reusable roll of Glad Wrap Liam Huo

Netball Tournament

Last week there was a netball tournament held at school. The tournament was held on Monday, Wednesday and Friday. There were four teams; Kikorangi Warriors, Kowhai Stingers, Dvke Champions and the Dvke Destroyers. Players were from years 5 to 8 and were all mixed up into different teams. We really enjoyed this tournament and hope that everyone else who got involved in it enjoyed it as well. Thank you to members of the student council who organised this netball tournament, it was really fun. Korah and Ali

CANINE COMPANIONS

Te Tipu were very lucky to have a special visitor. Chris from Canine Companions brought Benson to meet us. Benson is five and a half years old and is a labrador-golden retriever cross.

He loves to listen to tamariki read stories while enjoying lots of pats.

Benson was very happy to give us the odd lick to show how excited he was to meet us. We discovered that if we were calm, Benson was calmer around us. Thanks Chris for bringing Benson to meet us. We can't wait to see you in two weeks time!

Please keep sending in your Yummy Apple Stickers to the office. The more stickers the more sports equipment we can order for free!
