

PRINCIPAL'S COMMENT

Kia ora South School whānau,

Unbelievable that it's Week 7 already!

Term 4 is generally always a busy term, and this year is no different.

Good news from our amazing Principal, she is back home post-surgery and super jealous that she is missing out on all the fun our tamariki have been having. We all wish her a fast recovery.

Swimming instruction is well under way for Te Kakano, with Te Tipu and Te Puawai starting in the first week of 2023. Unfortunately, our outstanding top athletes were unable to represent South in the interschool athletics this year due to weather forcing the organisers to cancel. However, each of those who were prepared to compete should hold their heads high, we're all proud of your achievements.

Tuesday this week saw a fun packed day in Palmerston North to celebrate our good work this year. Our students really did us proud through living by our school values. We are lucky to have such a dedicated staff at this school, who all pull together to make this, and our other fun days come to fruition. A big thank you to all our whānau helpers too, we couldn't have gone without you. Also, another big thank you to **Joy Rafaelli** and **Dannevirke Lions** for providing serving dishes, crockery and cutlery for our Year 8 Leavers Dinner.

As the school year is nearing the end, I ask you to ensure that you have checked the calendar, as it would be a shame if you missed an opportunity to share our end of year celebrations.

Please come in and view the lost property in the front foyer before the end of the year, as anything unclaimed will be rehomed.

Keep smiling and remain positive ... summer is here and the school break isn't far away.

Nga mihi nui
Claire Audier (Deputy Principal)

On Tuesday the 29th of November the entire Dannevirke South School went to Palmerston North for a Fun Day. This was a first for Dannevirke South School as we had never been on a whole school trip before. The aim of the trip was to celebrate the end of the year, to celebrate achievements and friendships, and to experience and try something new. It took six buses to get us all to Palmerston North. First of all we went to the Lido where we had morning tea and a free swim. Then we walked to the Esplanade with our buddy classes where we had lunch and were free to play in the amazing playground. We also had the option of a train ride if we wanted it. The whole day was a great success.

Some Room 4 Student comments:

Reid- "When I was riding the train, there was cool stuff on the side like flowers and leaves that I've never seen."
Ezra- "It was fun because I got to hang out with other friends who weren't in the same class with me. Also Reid and I played man hunt."

Room 7 Comments:

Alianah - "The thing I liked about yesterday was how the train was on at the park and we had a bag of chips and a lollycake for morning tea."
Leighton - "I liked swimming with Mrs Wheeler and Deegan."
Toni Rose - "Yesterday was a fun day because we all swam in the lazy river."
Lockyer - "Mrs Wheeler jumped off the diving board."
Sophia - "I enjoyed playing with my friends at the Lido."

COMMUNITY NOTICES

THUMBS UP

- To the parents who helped make our Fun Day possible by giving up their time to come and supervise.
- To the staff who organised Fun Day

Bystanders

An important part of the KiVa programme is helping give children the confidence to report KiVa cases to duty or class teachers, whether they are the victim or a witness to bullying. Children are taught the different roles that can play out in the playground - bystanders, bully, victim, supporter of the bully. The bystanders are encouraged to support the victim and seek help from others like Councilors, House Captains or adults.
