

## PRINCIPAL'S COMMENT

Kia ora e te whānau,

It has been an absolutely wonderful start to the year. The school is humming with the sound of excited students and staff!

### Excellence

As you know we focused on our vision last year of "Inspiring Passion, Growth and Success" and this year we continue this by using our values. Our focus this term is on how our school value of Excellence inspires passion, growth and success. We are looking at things like; what is excellence in learning? In behaviour? In uniform? In sport etc. We would appreciate your support with this so please chat to your tamariki about what they are learning.

### Meet the Teacher Family Picnic

On Tuesday 14 February from 5.30pm we invite all our South School whānau to join us for a picnic on the middle field. Everyone is welcome and you can either bring your own dinner or have some of the free sausages the Board are providing. We would love to see you there. Take this time to relax, mingle and make connections between families and the staff at South.

### House Festival on Monday

Later this week you will receive a notice about the House Festival on Monday 13th February. This is our first House event for 2023 and we really want to build this competition over the year.
