

PRINCIPAL'S COMMENT

Kia ora e te whānau,
Wow, this term has gone quickly! We are so impressed with how our students have settled and risen to our Excellence focus. They have shown this in their learning, relationships to each other and staff, their uniforms and their behaviour - great job South! Next term we are going to keep this focus on excellence but also introduce our next school value of Confidence.

Whānau Group

We had a very successful whānau group hui last week. It was a chance to connect, get to know each other, reflect on how the school currently reflects Te Ao Māori and discuss how we want to work as a group going forward. There will be a meeting every term and we welcome everyone to come and join us.

Start date of Term 2

Just a reminder that we have a Ministry of Education compulsory staff only day on Monday 24th April to focus on the curriculum refresh. We will be working at Dannevirke High School with the rest of our Kāhui Ako so there will be no staff onsite to look after children. We look forward to seeing everyone back on **Wednesday 26th April** ready for an exciting term that includes a Coronation dress up day on May 5th where students can dress up as royalty. Have a wonderful holiday break.

What is bullying?

Bullying is actions that are repeated and deliberate - in an effort to gain power. An argument between people that only occurs once or twice is an example of conflict. DSS staff are trained to recognise the differences between conflict and bullying. Students are consistently encouraged to report incidents of bullying as they occur to a duty teacher, class teacher, whanau or any adult they feel they can confide in.

TE TIPU CAMP 2023

On the 30th and 31st of March, Te Tipu had their camp at school on middle field. We had a lot of gear, and everyone was excited to begin camping. Our day started with some fun activities and with the help of our teachers and parents our classes got to rotate and have fun playing rippa rugby, completing obstacle courses, witches and wizards and playing traditional games. After lunch we had some free time to play with all the fun equipment in the play trailer. Later that day, once the wind had died down, our tamariki got to set up their tents and enjoy some wheel time. Friday brought some more wheel time, a street search game - which included many tired little legs. We finished our camp with some waterslide fun. Our camp was made very successful thanks to the fantastic support we had from our community and all our wonderful helpers.
